Microdermabrasion Facial Therapy

This treatment provides gentle, effective, skin exfoliation, designed to enhance the skins appearance by creating a smoother look and feel to the skin.

It works only on the epidermis to treat:

pigmentation • fine lines • sun damage • scarring
enlarged pores • thickened skin • stretch marks

Can be added to any facial treatment to enhance the treatment.

45 minutes \$99

LED Light Therapy

A pain free and quiet treatment that plumps the skin, heals wounds, stimulates collagen production, diminishes dark spots and reduces any redness. Your face will have a much smoother youthful appearance.

You can expect tighter skin, glowing complexion, diffusion of congested areas, fine lines and wrinkles less visible.

Works great after Microdermabrasion or a facial treatment.

For best result 6-10 sessions are required.

30 minutes \$99

LASER HAIR REMOVAL from \$100

ANTI WRINKLE INJECTIONS from \$120
